BAA Signs MoU with AIPMA

BAA and AIPMA have joined hands to strengthen industry–trade ties and expand global market access for India’s plastics sector.

Global Market Access

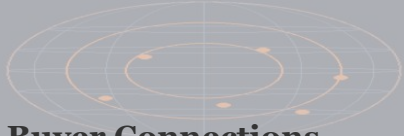

Connecting AIPMA manufacturers with BAA’s global network of buyers and agents to unlock new export opportunities.

Joint B2B Events

Co-hosted events at Plastiworld and top trade fairs showcase Indian plastics to a global buyer audience.

Key Areas of Collaboration

1 Global Buyer Connections

Link AIPMA manufacturers with BAA's worldwide network of buying agents and international buyers for new export opportunities.

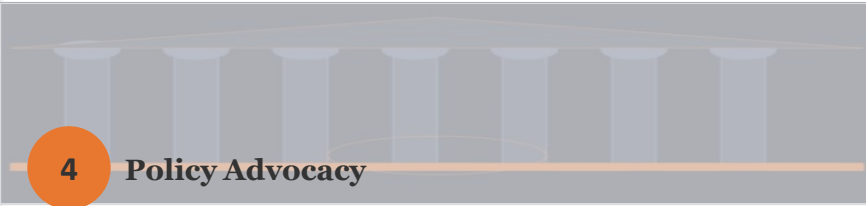

2 B2B Networking Events

Co-organise industry events and networking meets at Plastiworld and top trade fairs to showcase Indian plastics to global buyers.

3 Compliance & Export Workshops

BAA experts deliver export readiness workshops covering international standards, buyer requirements, and global market trends.

4 Policy Advocacy

Jointly represent India's plastics and sourcing sectors before government bodies to promote trade facilitation and export-friendly regulations.

BUYING
AGENTS
ASSOCIATION

"We look forward to a productive and impactful association with AIPMA."

Buying Agents Association (BAA)

This partnership reflects BAA's commitment to strengthening India's global trade ecosystem through meaningful collaboration with premier industry associations.
